Every Corn Vanishes by Using Wonderful, Simple "Geta-It" Never Fails. Applied in 2 Seconds.

Isn't it wonderful what a difference just a little "Geta-It" makes,—on corns and calluses? It's always right somewhere in the world, with many

"Wheel I Don't Care! I Got RID of My Corns With 'Geta-It'!"

folks humped up, with cork-screwed faces, gouging, picking, drilling out their corns, making packages of their toes with plasters, bandages, tape and contraptions,—and the "holier" in their corns goes on forever! Don't you do it. Use "Geta-It," it's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the stocking, hurt or irritate the toe. Pain stops. Corns come "clean off," quick. It's one of the gems of the world. Try it—your kick—from joy. For corns, calluses, warts, bunions.

"Geta-It" is sold everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.

Sold in Grants Pass and recommended as the world's best corn remedy by Geo. C. Sabin.

## LICKED BOYHOOD ENEMY AFTER FIFTEEN YEARS

Albany, Ore., Feb. 26.—Fifteen years ago George Overton and R. M. Fletcher were boys together. Fletcher was a little older and a little bigger. When they quarreled, he took George down and rubbed his nose in the dirt.

"I'll lick you good when I'm grown up. You just wait!" blubbered young Overton when he got up.

Last Saturday he made good his 15-year-old threat. On the road near Plainview he met Fletcher, his boyhood enemy, whom he had not seen for several years.

Overton deliberately removed his coat and sailed in. After he had licked Fletcher to his satisfaction, he rubbed his nose in the dirt. Voluntarily Overton went before a justice of the peace yesterday and paid a \$5 fine, swearing to the complaint himself. Then Fletcher swore to another complaint charging the use of obscene language, and Overton had to pay \$25 more. But it was worth it, he said.

### NOTICE OF ANNUAL

### CLEAN-UP DAY

I wish to announce to the public that Wednesday, March 1, will be observed this year as the official clean-up day for the city of Grants Pass. Property owners, tenants and citizens generally are earnestly requested to co-operate with us in the important work of improving the appearance of the city and of maintaining sanitary conditions by the removal of all rubbish from premises under their respective control.

Street Superintendent R. A. Dean will have charge of the work of hauling the accumulated rubbish to the city dumping grounds. The teams will begin to haul on the morning of March 1. It will therefore be necessary for the people to begin now in order that all rubbish shall be in readiness by the time the hauling begins.

In the interests of efficiency and economy please observe the following suggestions:

1st. Reduce your quota to the minimum by burning all combustible rubbish.

2nd. Put tin cans, broken crockery, glass and all like accumulations in boxes or sacks to facilitate handling.

3rd. Place the accumulation outside of your yards, on the side of alleys accessible to wagons.

4th. Have your part of the work finished before March 1, and thus avoid the necessity of an additional trip to your neighborhood.

Yours truly,

J. P. TRUAX, Mayor.
